**Overview:**

The 2008 National Mountain Bike Series #4 – Deer Valley national presented by Subaru Gary Fisher Mountain Bike Team- is a Category 1 UCI XCO event. This Technical Guide covers the procedures for the Elite Men’s and Women’s Race scheduled Saturday June 28, 2008.

**Elite Cross Country Race Description:**

The KENDA Cross Country

The Deer Valley National cross country will be the first altitude test of the 2008 mountain bike race season. The cross country event will feature most of the professional racers – male and female- many of whom are aspiring for a spot on the 2008 United States Olympic team. This is high alpine mountain bike racing at its best...tight, twisty single track, long steep ascents and fun, speedy descents. You will see a bit of everything on this course – and you will be challenged.

Elite Men will race for +/-2 hours and the Elite Women will race for +/-1:45.

*Complete Event Schedule is posted online at [www.bluewolfevents.com](http://www.bluewolfevents.com) and at [www.teambigbear.com](http://www.teambigbear.com)*
